

## A superior coating

for permanently beautiful surfaces

### Premium Hardwax-Oil

Can Size	Item Number
0,75 l	(Item Number) 300
2,5 l	(Item Number) 500
10 l	(Item Number) 700
25 l	(Item Number) 800

For natural, permanently beautiful surfaces that are easy to maintain, we recommend our *Premium Hardwax-Oil*.

The natural ingredients of the hardwax-oil penetrate deeply into the pores of the wood and give the surface a wonderful haptic.

It dries quickly, giving you a high-class surface in just one day.

Surfaces coated with *Premium Hardwax-Oil* can be sanded and partially re-oiled at any time.

No visible contact points and all naturally based, suitable for all wood surfaces.

easy to apply

DIBt approval Z-157.10-4

### Ground Oil Extra Thin

Can Size	Item Number
0,75 l	(Item Number) 300
2,5 l	(Item Number) 500
10 l	(Item Number) 700
25 l	(Item Number) 800

SAICOS *Ground Oil Extra Thin* is an open-pored primer that penetrates deeply and easily and is recommended as first coat for exotic and hardwoods.

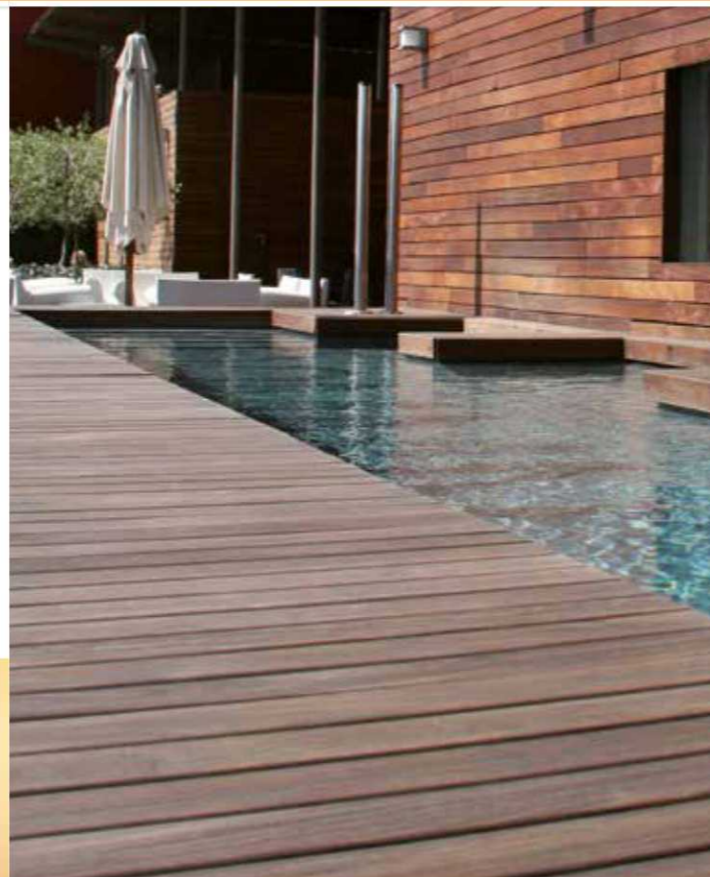

Floors treated with SAICOS *Ground Oil Extra Thin* and SAICOS *Premium Hardwax-Oil* repel dirt and water and are extremely resistant. Moisture cannot harm this open-pored coating.

For the final coat we recommend:  
» SAICOS *Premium Hardwax-Oil*

## Perfect treatment for front edges

with especially water and dirt-resistant effect

dirt-repellent

highly water-resistant

### End-Grain Sealing Wax - colourless

Can Size	Item Number
0,125 L	8131 100
0,75 L	8131 300

Excellent protection for front and cutting edges.

Protects against hairline cracks and minimises bleeding of wood ingredients. Highly water and dirt-repellent, suitable for all wood species.

## Free choice of final coating

get beautiful wood thanks to the best natural oils

low-solvent: VOC <10 %

DIBt approval Z-157.10-4

1 l = approx. 65 m<sup>2</sup> (1 coat)

### Ecoline Oil Ground Coat

Can Size	Item Number
0,75 l	(Item Number) 300
2,5 l	(Item Number) 500

Highlight the beauty of your wood with pure natural oil - low-solvent. High-pigmented, for professional usage.

The *Ecoline Oil Ground Coat* has been specially developed for wood, cork and bamboo floors, as well as particularly heavily used pieces of furniture.

It combines an exceptional good abrasion resistance with high durability and emphasises the natural beauty of your wood.

For the final coat, we recommend:  
» *Ecoline Hardwax-Oil* or  
» SAICOS *Premium Hardwax-Oil* or  
» *Ecoline MultiTop<sup>plus</sup> lacquer system*
